Notificació resolució de Alcaldia relació objectes decomissats l'any-2019

Amb vista a la defensa dels interessos de les persones consumidores i usuàries i a la protecció de la salut pública, com a mesura cautelar de caràcter general es va procedir al decomís dels productes oferts en venda ambulants que no tenien la preceptiva autorització municipal, atès que, en no haver quedat acreditat que complien les condicions legalment establertes per al seu transport i posterior venda al públic, podien representar un perill sanitari.

Transcorreguts els terminis legalment previstos sense que la persona denunciada hagi sol·licitat la devolució dels productes decomissats, i per raons de limitacions de capacitat dels dipòsits de la Policia Local, en virtut de la facultat prevista en l'article 21.1. i) de la Llei 7/1985, de 2 d'abril, reguladora de les bases de règim local, dicta la següent

RESOLUCIÓ

1. Publicar en el BOIB la relació dels objectes confiscats que es relacionen a l'annex I d'aquesta resolució, per a general coneixement dels possibles interessats.
2. Procedir a la destrucció dels objectes si, transcorreguts trenta dies des de la publicació d'aquesta resolució, aquests no han estat reclamats.
